I will be in no shape to travel to Buffalo next Monday on such short notice. Really wish we were given more notice. If there is any way this could be better coordinated with us at a future date it would be appreciated.

Hello Andrew,

Angela gave me your contact info so that we could try to arrange for one or two DEC staff to meet you at the Lewiston sites.

I was told you will be there on the 28th to visit all three sites. Being next Monday, and at the opposite end of the state from our office, logistics will be challenging for us. Could you provide us with information on your anticipated site visit schedule and planned work?

Thanks,

Tim
